## New cabinet door and door gasket for 6.x & 10.x

From October 2012 the cabinet door incl. door lock and gasket has been changed stepwise.

**Furthermore, the door gasket has been changed. The new one has the same dimensions, but because of the style the gasket is not downward compatible.**

Also door lock and collecting tray do not fit into old door types!

Unit type	Previous door seal no.	New door seal no.
6.x	#211094	#10012489
10.x	#211095	#10012490
